

10/21-10/25/19

Radio-1

-Unit 8: Portable Audio Recorders- Summary: We will continue with our PSA project by finalizing our scripts and learning how to use portable audio recorders (and/or smart phones) to acquire the voices needed for our projects. RSR continues. No test this week. Bell work is listening to professional PSA's from the Ad Council.

Monday

- Attendance
- Continue Workshopping scripts
- Hand in Rough PSA scripts
- RSR
- Handbook pgs 73-77: Using the Zoom audio recorder. This will be on test for Unit 10 (see my website for using smartphone audio apps). Must know: how to record, stop, playback, what external connections and switches do, how to connect to PC, how to move files to computer/flash drive.
- Demo and practice with Zoom
