

Rookie Playlist Format – 1st Rotation

ed. jo 9/13/13

In this version of the show, you will be following our music log and writing your own dialogue. There are certain rules for this show, and violation of these rules will forfeit your show and you will earn a zero. See the Teacher, Parapro or a Radio 2/3 student about starting the skimmer.

The Rules for DJ's-

- You will be playing music from our minidisk collection. Minidisks are filed in numerical order on the North wall in the on-air studio.
- Scripts must be typed and done at least 1 day in advance with an estimated TRT (total run time at) typed at the bottom.
- Every talkset must include ANY one (or more) of the following at least once per talkset:
 - 89.1 FM.
 - 89.1 FM, Exile Radio.
 - WPHS Warren, Sterling Heights.
 - 89.1 FM, online at WPHS.com.

Sample DJ Script –

This is an example of the type of thing you could say for each talkset. **DO NOT COPY THIS WORD FOR WORD!** Instead, notice how it corresponds with the ROOKIE PLAYLIST (LOG) document. Use your own words, your own voice, your own creativity to make your script your own. Include notes and any other information that will make your life easier when you're sitting behind the microphone. "Talkset 3 – Newscast" requires coordination between you and the NEWS PERSON. (the songs listed below ARE NOT the songs you will use)

(Talkset 1 – Introduce yourself, what is coming during your show, the song you are about to play... REMEMBER IMMEDIATELY BEFORE THIS, SAY OR PLAY LEGAL ID)

Example – "WPHS, Warren, WAHS, Sterling Heights. Good morning, J-Rock with you on a Monday morning. Not easy being here at 7 AM, but I'll do my best to wake you up. Later in the show, a chance to win concert tickets, but right now, music from Brizz. Don't Mean Much on The People's Radio, 89.1 FM WPHS."

(Talkset 2 – Artist Information or Concert Update)

Example – "89.1 FM. A quick update on one of my favorite groups, Radio Head; the UK band is planning an album release for this Summer. Their last album, "In Rainbows" was such a huge success on-line that Radio Head's latest LP will be available exclusively on the web. Music from the Junior Boys is next on The New Exile Radio, 89.1 FM."

(Talkset 3 – Newscast)

Example – "89.1 FM. Now it is time for the news with Don S." (the news person does the rest for this break [you MUST cross-talk when he/she is done] and when done, play song 3)

(Talkset 4 – Backsell- ie, announce the artist/song just heard), Goodbye, what's next)

Example – "Creepshow on Exile Radio, WPHS. My time here is over but DJ Bushwacked is up next... more chances to win concert tickets throughout the day, so keep listening to 89.1 FM." (play sweeper)
