

3/16-3/20/20

TV-1

**-Unit 8: Studio Rotation Practice-** Summary: As a class, we will run through round-robins of our standard studio shoot. The object here is not for perfection, but rather practicing for “the real thing.”

Mon

- Test, UNIT 6/7 SOP
- SOP/practice shoot: Setup the studio

Tues

- Rev for Safety Re-Test tomorrow
- Director's sequencing cues handout/floor director cues
- Continue walk-through of crew positions
- SOP/practice shoot. This week, we practice shoot all-week (no test this week).

Wed

- Attendance
- Safety ReTest
- SOP/practice shoot (continued) (lighting Plot) (camera, switch, engineer).
- Homework: Assign people to come up with scripts/images for more practice next week

Thurs

- CCR3-TV1
- SOP and Strike Studio

Fri

- SOP and Strike Studio
- UNIT 8 rETEST
