March 4-8 (half-day 3/8, 4-6 only) *TV-1* **Web Design 1**

Wk5- Writing for the web: creating your first post for Titiana Proton. Assign jobs and "beats" for each partner group, begin working on stories.
https://www.nngroup.com/topic/writing-web/

Monday- Your website must be published with the link sent to me via e-mail by Friday. The e-mail must list in the subject both group members names. The body must explain what type of business you had and provide the link. Today, you will have the hour to work on your site, blog post, missing critiques, or anything else that moves you toward you project goal.

Tuesday- Brief presentation the inverted pyramid and writing for comprehension.
